Dear James:

On behalf of the many individuals with disabilities who depend on Easter Seals Nebraska for services, thank you so much for supporting Easter Seals Nebraska's Family Fun Fest 2010. We really hope to grow this event to be a premier one-of-a-kind disability awareness event as well as a fundraiser for our programs and services.

Your involvement in this event as a volunteer DJ enables Easter Seals Nebraska to continue its mission of helping individuals with disabilities have equal opportunities to live, learn, work and play in their communities.

Support like yours truly makes a difference--whether it's:

- giving farmers and ranchers who have sustained a disabling injury the tools they need to reach their full functional capacity
- helping Supplemental Security Income and Social Security Disability Insurance recipients make informed decisions regarding employment
- providing reduced-interest loans to qualified Nebraskans with disabilities for assistive technology devices and services
- offering week-long residential camps, to give campers a chance to be with others facing similar challenges as well as providing a break for family/caregivers
- developing new programs to serve individuals on the Autism spectrum

We would really appreciate your completing the attached survey and faxing back to us at (402) 345-2500, or dropping it in the mail. Your opinion matters to us as we strive to improve the next event. Again, we sincerely thank you for your support and hope you'll plan to attend Easter Seals Nebraska's Family Fun Fest 2011, tentatively scheduled for August 27, 2011.

Sincerely,

Ingra Winkler Anderson
Marketing, Public Relations &
Resource Development Director
